Cord

The A. C. A.

Sir

I beg to refer to correspondence with this office No 82 of 25-3-09. I have the honour to say that there seems to be no necessity for the additional police — 6 Constables on Rs. 8 each — & that therefore I will keep record your sanction to the discontinuance of the hands employed. Of the 6 men sanctioned only five men have been employed & their services will be dispensed with on receipt of your approval.

I have &c

D. C.

Form of license to be issued under the rules framed under sections 2 and 4 of the Indian Poisons Act, 1904 (I of 1904).

No. J.-549, dated the 15th March 1909.

From—G. Carmichael, Esq., District Magistrate, Poona;

To—The Commissioner, C. D.

Licenses for the sale of poisonous drugs have heretofore been issued in the form given in schedule B of Act VIII of 1866; but this Act has now been repealed and in the new Act (I of 1904) no form is prescribed. As these licenses are to be issued under the rules printed as accompaniment to Government Resolution No. 183, dated 12th January 1909, Judicial Department, it would be convenient if a form is prescribed and printed. In this district about 30 licenses have to be issued. I enclose a draft* for favour of approval and early orders.

Endorsement by W. T. Morison, Esq., Commissioner. C. D., No. C.-340, dated the 20th March 1909.

Submitted to Government.

2. It seems necessary to prescribe a form of license under Rule II of the rules printed (*a*) in Notification No. 185 and (*b*) in Notification No. 186 of the 12th January last. The draft forwarded by the District Magistrate seems suitable.

No. 11 (Poisons), dated the 18th May 1909.

From—S. M. Edwardes, Esq., Acting Commissioner of Police, Bombay;

To—The Under Secretary to Government, Judicial Department, Bombay.

I have the honor to forward herewith for favour of sanction a draft* of a license which it is proposed to issue under sections 2 and 4 of the Indian Poisons Act (Act I of 1904), and to state that it has been approved of by the Solicitor to Government.

Rule IV of Part II and III of the rules made under the above Act prescribes that the licenses shall be inscribed on a non-judicial impressed stamp paper of the value of Re. 1 which should be recovered from the licensee. The fee would be collected in cash, and the stamp paper supplied by this office.

I would therefore request that you will be good enough to instruct the Superintendent, Government Central Press, to print and supply this office with 100 copies of the above form, at a very early date, printed on impressed stamp paper of the value of Re. 1.

The Solicitor to Government in reply to a query from this office has stated that it is not essential to have the rules under the Poisons Act printed on the back of the license. But in my opinion, it would be advisible to have them so printed in English and Gujrati, so that the holders of licenses cannot subsequently plead ignorance of the rules.

No. 4105.

JUDICIAL DEPARTMENT.

Bombay Castle, 20th July 1909.

RESOLUTION.—The Superintendent, Government Central Press, should be instructed to have the accompanying revised form of license printed and supplied to the Commissioner of Police, Bombay, and all District Magistrates, whose requirements should be communicated to the Superintendent direct. The license is required to be inscribed on impressed stamp paper in cases where the applicant

* Not printed.

does not already hold another license (*vide* Rule IV of the rules under sections 2 and 4, respectively, of the Poisons Act, 1904). The indenting officers should accordingly be requested to furnish the Superintendent, Government Central Press, with the requisite number of stamp papers of the value of Re. one each. The charge on account of the purchase of these impressed papers should be met from the contingent grants at the disposal of the officers concerned during the current year; and provided for by them in their budget estimates in future.

2. The Oriental Translator to Government should be requested to transmit, as early as possible, Gujaráti, Maráthi and Kánarese translations of the rules issued under the provisions of sections 2 and 4 of the Poisons Act, 1904 (I of 1904), to the Superintendent, Government Central Press, who should cause the vernacular translations to be printed in parallel columns with the rules in English, for issue to the officers (indenting for the Forms of license) to be supplied separately with each license. The printing of these rules for supply to the holders of licenses under the Poisons Act, 1904, in Sind, will be arranged for by the Commissioner in Sind.

(Signed) J. T. SCOTSON,
Acting Under Secretary to Government.
